Col;

I respectfully tender my unconditional resignation - My age, such that the hardships and exposure of field service, will end materially to shorten my days, being now within a few days of forty nine - My family need me at home being composed of females. My oldest son having died in the Service & my youngest having recently entered the service, leaving them entirely without a male protector

An early acceptance of my resignation would confer a benefit on me - I am Colonel

Sir

I have the honor to request that Capt Alexander Ross of the Charleston Light Dragoons be appointed to a Lieutenancy in the Provisional Army that I may make him my aide de camp.

I have much to urge upon this application but as I had up to this time little hope of recovering sufficiently from a wound to enable me to report for duty - An operation on my leg performed by Dr Gaillard will be necessary before I can report for duty - in the course of the winter - I therefore make the application now.

I have the honor to acknowledge receipt of Special Order No 276 - appointing me Medical Director of Genl Hospitals in the Command of Maj Genl N.P. Banks. About the 1st April 1863. I addressed a communication to Surg Genl S.P. Moore, requesting the appointment of Surg J.M. Williams to that office, to which I rec'd a reply stating, "the number of Hospitals in your Command is not sufficient for the assignment of a Med officer to this particular duty, and you are expected to have charge of them Hospitals."

Within a recent period, the geographical limits of this Department have been curtailed, and the objections then urged by the Surg Genl., will apply with greater force now. As the office will be a Sinecure, I respectfully beg leave to decline its acceptance, and will respectfully call your attention to the accompanying papers containing my resignations of the position of Surgeon in the Provisional Army.

On the return of medical officers
for the month of ———, made
by Dr Rose, Surgeon Nicolet was
reported as Medical Inspector.
It was deemed advisable, therefore,
to put Dr Rose in charge of the
Hospitals, in order that he could
make the necessary Inspections
& reports.

It seems that when he re-
ceived the Order, he published a
notice in the Mobile papers that
he had resigned, & refused to
have anything to do with the
hospitals. If for no other
reason, this appears to be
sufficient not to revoke the
Order, & that his resignation be
accepted.

General.

The orders relieving Dr. F. A. Ross as Medical Director of this Dept were received today the 25th inst.

If not incompatible with some important interest of the service I request that they may be revoked & that Dr Ross may be continued in his present office.

The Surgeon General some months ago declined to permit a Medical officer to be assigned to the position to which Dr Ross has been transferred by the War Department because the duties were so light as to be properly performed by the Medical Director of the Department in addition to his other duties. Within a short time the geographical limits of this Department of the Gulf have been so restricted as to cut off all the General Hospitals besides those in Mobile & one in Greenville. This renders Dr Ross's new position still unimportant & induces me to submit to the Department that it will not take from me an officer for whom I have conceived a very favorable opinion & whom I know to be zealous in the discharge of his duties. While he is an intelligent & courteous gentleman whose feelings are naturally wounded by the change which has been made in his position.

I have the honor to report that at 2 P.M. July 28th I received the order of Gen Jackson, directing me to withdraw my command from its present position near Vicksburg, and move to "Old Lake Church", on the Campbellton and Atlanta road, which I did without delay and at the Church directed, received your dispatch of 7 P.M. ordering me forward to the support of Gen Wilson on the road from the church to Campbellton.

About 8 P.M. I came up on the Gen Wilson command and relieving the Brig Gen Comd of my presence ordered Gen Jackson's division into position to command the road and hold in check any advance of the enemy.

At 10 P.M. I received an order from Gen Hood to withdraw my command from its position and follow the movement of Stewart's corps, which I found had taken the Campbellton road. Hood's corps was massed in rear of Stewart's, and my division was ordered to follow Hood's corps. Arriving at the junction of the Campbellton and Atlanta roads, Hood's corps moved on the Atlanta road, and Stewart's corps on the Campbellton road, and I was ordered to follow Stewart's corps. Sir

The health of Brig Genl Whitfield Comdg Cavalry Brig from Texas in the Division of Brig Genl W.H. Jackson, being so feeble as to incapacitate him from active duty in the field, I earnestly request that Colonel L. S. Ross 6th Texas Cavalry (Senior Col) be appointed Brig General and assigned to the Command of the Brigade - Col. Ross is a good disciplinarian and distinguished on many battle fields for his gallantry He has been Comdg a Brigade for the last Eight Months, by selection on account of his meritorious services - The Texas Brigade as other troops from West of the Miss are anxious to cross the River, and in a measure dissatisfied, and unless a proper officer is assigned to their Command and one popular with them they will surely cross the river - Col Ross is popular with the Brigade and no man competent officer could be selected to Command the Texans - his assignment will increase the efficiency of the most reliable troops under my Command - Col Ross has been recommended repeatedly for promotion

I have the honor to ask
your assistance & influence in behalf
of Col. E.S. Rob of the 6th Ky Cavalry, for pro-
motion. I have known Col. Rob intimately as
a man & as an officer for two years. He was
elected major of this Regt at its original organiza-
tion upon a reorganization was declared Col.
by acclamation. in both of which positions he
has fully met the expectations & justified the
confidence of his warmest admirers
As a Cavalry officer. he has no superior in the
service. He combines in a prominent
degree the great elements of a cavalry chief.
courage, quickness & enterprise and if placed in
a position worthy of his genius, would adorn
our country's annals with deeds of endu-
ring brilliance. In making this application
to you I do so. from a sense of duty to my-
self. worth & modest merit, which ever prefer the
shades of obscurity, with conscious capacity. To shunn
billets frequently acquired at the sacrifice of
a proper self respect. I ask your aid

in This behalf as the instance of many of
your old friends & constituents of Eastern & North
eastern Texas. I trust you will be pleased
to give the matter some attention

color. discretion. devotion. to the cause. united with a sound judgement are the necessary qualifications for a Military commander. Then he is worthy. In the recent fight Gen. S. D. Lee. had with Sherman The Col. won for himself and honors & received the special mention in Gen. S. D. Lee's official report. It is useless for me to say more for I feel confident you will do all in your power to raise him to the position.

Col. I am in opinion with all soldiers and lovers of our common cause. Still a great solicitude & [illegible] with much anxiety to see what system of Reorganization will be agreed upon by the present Congress. Much of the very success of our cause depends upon the future of reorganization. The soldiers, nearly to a man are perfectly willing to reorganize for the war or 3 yrs or 20 years. But before enlisting they may some demands or conditions based in view of their long & faithful service. I think all possible connections should be made. Some satisfactory system of furloughing more rapid than the present should be agreed upon. It is the army anticipate considerable

I am of the opinion that the 3d will be strong enough to reorganize as a Regt. if the men can be satisfied about their furloughs. But even if we are not by strong enough for Regt. I wish we also do the men to be granted the privilege of organizing as a Battalion. I was much disappointed in your not coming by. — Our lines extend as far as the Big Black — 18 miles in this direction — If you have time I would be glad to hear from you. Your friend F. S. Boggess

My dear Col.

It is highly probable that Col. Rose of the 6th Texas Cavalry will be or perhaps has already been assigned to Brigadier Davis' as justly deserving promotion to the rank of Brig. Gen.

Prompted by a feeling of friendship and interest in the advancement of our cause. — I write you to call your attention to the merits and distinguished services of this gallant officer; and to solicit your influence in his behalf. — Having been made acquainted with the eminent qualifications & Canadian friendship of Col. Rose as a soldier, by nearly three years association with him; I take much pleasure in cordially recommending him to your favorable consideration and through you to the authorities at Richmond. — It is scarcely necessary for me to speak to you of the gallantry and skillful ability that has ever marked the conduct of the officer during the present war & even before upon our Texas frontier.

His promotion was made [illegible] of the gallant Col. upon the battle fields of "Elk Horn, Corinth, Hatchie Bridge, Thompsons Station & others" in terms within and most acceptably can I [illegible] commend. He is a true gentleman, daring, [illegible] & [illegible].

RECORD DIV.

Richmond Va
Feb 9th 1864

To His Excellency President Davis

Sir; I have the honor to apply to you for the rank of Capt or 1st Lt of cavalry in the Regular Confederate Armies you may deem expedient. I graduated at the U.S. Mil. Academy in the year 1853, and was assigned as Bvt 2d Lt to the 1st Regt U.S. Infantry. In 1854 I resigned, and entered the Army again only at the beginning of the present War.

I first served as an Infantry Officer. When on the 7th of January 1862 I was elected Capt of a Battery of Light Artillery. With this I was captured at the fall of Donelson when I was kept 8½ months a prisoner. Finding my Company reorganized on my exchange, the 1st Lt having been elected Captain, I entered the Cavalry Service

I first acted under Genl Pillow, was then ordered by Genl Bragg to Genl Forrest, and finally passed from him to Brig. Genl Davidsons Cav Brigade as A. A. Genl. The character of my services will be shown you by accompanying papers.

This appointment is asked as a basis to assignment in the Volunteer service as shown by enclosed application.

Receiving authority from the War Dept July 1861. To raise a Regt of Infantry for the Confederate Service, the Presidt endorsed thereon that the Regiment would be accepted as Officered as Cavalry. I raised three companies, was ordered with them to Hopkinsville Ky, where being thrown with other new companies, I was elected Lt Col and Senator H. C. Burnett Col & Colonel.

I was appointed Adjt & mustered and drilled the Regiment while Col Burnett went on to get the Commissions. Without any knowledge Mr J. M. White one of our Representatives also visited Richmond and made statement to the Ordnance Dept in regard to the Regiment, entirely groundless in their nature, but which that Department knowing nothing of the Country failed to send my appointment. I was immediately after elected Capt of the Mounted Rifles, but, fought in the Battle of Belmont at Ft Donelson and was Captured. The Regiment was exchanged two months before I was, and having elected to remain a Capt, I would not reduce him to his former position. I have since that fought in six different engagements, doing my duty I trust to the satisfaction of my Commanders. Having been more or less engaged in the Service from its Commencement, I believe my services entitle me to promotion and I therefore have the honor to ask at your hands promotion to the rank of Col of Cavalry and to be placed in Command of a Brigade in this Dept. General

I have the honor very respectfully to request that Captain Wm H Ross of my command be detailed as enrolling Officer of my Battalion for 20 days. One of my companies has been in service for over fourteen months, with its present organization of officers. and my three other companies are composed, almost exclusively of men. who were in service in the different regiments and Battalions serving in this district prior to April 16th 1862. I am now reduced to nearly the minimum, and am probably more in need of conscripts than any other organization in this District.
Respectfully requesting an answer at your earliest convenience

I am well acquainted with Capt Wm H. Rose the writer of the letter - was in the service with him nearly a year. He received a Military education at the Georgia Military Institute and I feel satisfied there is no more meritorious officer of his grade in the army. I know him to be fully qualified for and deserving of much higher rank. He served with great fidelity and usefulness from the very beginning of the War. An accomplished and meritorious Officer, I sincerely & earnest hope that his very reasonable requests may be granted.

Very Respectfully

Asks some support in securing a position commensurate with appointment.

mand at once, but simply as the case may be stated to be, as a matter of recommendation. Had it passed at once, as the first thing in the session as a matter of course, for the benefit of the service (when the troops were inactive) to arrange the details, it would have been a wise act. But now at the very opening of the campaign, I cannot see any reason for such action, as the first thing to be done would be to disorganize the command to [illegible] [illegible] [illegible]

Dear Judge.

The object of this letter is to ask your support in securing for me a position among the Staff appointments - if any are to be made - should the bill pass, authorizing the Consolidation of Co's Batt's & Regt's which is now being discussed in Congress. The 5th Section provides "that all Staff, Line & other officers who may not have any Command, or who may not at any time be on duty for a period exceeding thirty days, unless they belong to Invalid Corps - or are prisoners of War, or are sick or wounded, or absent by leave of the Secty of War, or the General Comdg the Dept or Army to which they belong - shall be dropped from the rolls & held to service as now provided by Law; Provided, that the President be, & he is hereby authorized to assign any officer thrown out of Command by the operation of this act to vacancies in the Staff, with the rank held by them in the line". My case is simply this. I have been on Staff duty for 15 months - having served on

the Staff of Maj Gen W H T Walker of Ga - as Inspector for his Division - until his death - in front of Atlanta on the 22 d July '64 - afterwards I was now on the Staff of Lt Gen Hardee. When Gen H. left the Army of Tenn - General Hood gave his Consent for me to accompany Gen H to this Dept - at his request, inasmuch as my Command was so much reduced by Casualties in battle - that I had nothing to Command. My Company numbered only 5 men when I left the Army - & the Subsequent fights at Franklin & Nashville have taken them all - The Batt - (1st Batt Ga Sharpshooters) was organized by details from other Commands - Consequently we are unable to recruit the Command. You are perhaps familiar with the position I have occupied during this war - I have never made application to the Sec of War for promotion - but have remained a Captain for over two years. Maj Gen Walker applied for my promotion to a Majority on his Staff - but it was refused - & afterwards by Gen Cist of Sc Co. - & again refused - although each time endorsed favorably by Division Corps - & Army Commanders. The reasons given were - that they were not making any Staff appointments at one time. May '62 - I tendered a Regiment - which I had raised at Savannah - with great trouble & considerable Expense - but as the Conscript act had just past - (after I had raised the Regt) the Sec of War refused to accept it - on the grounds - that New Organizations were

commissioned

not desired - but wanted the old Commands to be
Completed, & as I has not previously obtained per-
mission to raise a Regt - it must be disbanded,
& turned over to those who had an authority to raise
a Regt. I have been in active field service for two years
& have only had 10 days leave of absence during
that time. I have not mentioned this matter to
Genl Hardee but full confident that he will indorse
any application I may make - I desire to be
assigned to his Staff - as he desires me - & I like to
serve with him - Should the Bill pass - I will forward
my application through the proper Channel - & only
desire you to extend your influence in my behalf.
If you think you can aid me in obtaining the assign-
ment - please let me hear from you - I have almost
written you more at length than I intended - but hope
I am not troubling you too much - We are ex-
pecting Sherman on the line of Rail Road between
Augusta & Branchville very soon - We must have
troops to check him - a majority of those that we
have are unreliable - I see that Albright every few
days - He is Commanding a Division in the Dept -
& deserving our Judge - You will greatly oblige me
by writing me - Very truly - Yours -

Maj. Wm H. Ross, Comd. with Genl. Bragg's army is represented to be such an officer as is required, and is thoroughly acquainted with the country. Some time in July last Genl J. M. Withers offered me the position on his Staff as Commissary of his Division, which I accepted. My recommendation by Genl Withers & endorsed by Genl. Bragg went to the War Dept. soon thereafter. On the 11th of August Genl Withers ordered me by Telegraph to report to him at Chattanooga I left Mobile on the 13th of August and have been with the army since that time. My predecessor, Maj H. Under these circumstances I respectfully ask that my Commission may date back to, at least, the period I entered the service - as the Commission sent me date 2d Sept.

Sir

I beg leave to submit for consideration of the War Dept the following Statements of facts in relation to the Chaplaincy of this Regt.

At the Organization of the Regt Rev A G Stanley was recommended by Col McDaniel the Colonel of his Commission but previous to the receipt of his Commission he was compelled on account of ill health to abandon the position. he has never accepted the Commission has never Served the Regt in the position nor drawn pay as Chaplain.

On the 20th day of June last 1862 Rev M L Roper by order of Col Chas A McDaniel entered upon the duties of the Office and has continued to perform them faithfully up to the present time.

Col McDaniel died on the 19th Oct 1862 and it is not known whether he ever forwarded a Statement of the facts on recommended Dr Roper for appointment if he did So no return has been received from it

Mr. Roper has proven himself a man of great
ability and zeal in his profession and a faithful
efficient Officer. I therefore respectfully recommend
that he be appointed Chaplain to date from
the 20th day of June 1864

I have the honor to recommend the promotion of B.r Gen.l T. L. Rosser to the temporary rank of Major Gen.l to Command Fitzhughs division of Cav.y and in the Valley during the absence of Gen.l Fitzhugh disabled by wounds - This division at present consists of Rosser, Wickhams & Lomax's (Munn) brigades - Brigadier Gen.ls Payne & Lowry with Cav.y Commands are under Gen.l Early & both rank Gen.l Rosser - The latter is below them to the brigs as far as I know the most efficient Commander - Upon the return of Gen.l Fitzhugh to his Command it is my desire to assign two of the brigades with Gen.l Rosser to form a division under him in the base of Lomax's (Munn) -

I also recommend Col: Wm. H. Payne of the 4.th Va: Cav.y to the promotion to the ~~temporary~~ rank of B.r Gen.l to Command Lomax's (Munn) brigade. Commanders are also wanted for the Wickham's (Munn) & Rosser brigades, but as yet I am not prepared to recommend any one for those positions. As soon as an opportunity occurs I desire to reorganize the Cav.y in the Valley - The men are in fine spirits as good as any in the service - The want of efficient officers & the absence of proper discipline & instruction has been its ruin - With great respect your Obt.t Servt

Hon'ble S. R. Mallory
Sir

The mail that carries this to you will also carry a tender of my Resignation as 1st Lieut of The Mariana Dragoons to Capt Gene Cooper for his acceptance or rejection; & I write to request you to use your influence with him in having it accepted. A sick & suffering wife at home with five little children induces me reluctantly to take this step. a paramount sense of duty urges me to ask your influence in my behalf or rather in behalf of a suffering woman. Will you, Can you, refuse it, You a decided anti-Secessionist yet I was among the first Volunteers of our State to offer my services to the Govmt as a private in this Company Having seen much service tho' not subject to the Conscript Laws, and now would be exempt by the Clause in the Law exempting persons over 35 years of age & owning more than 20 negroes. I think I am justly entitled if any one is, to have this Resignation accepted

I know your feelings & judgement & sense of justice to a willing soldier [redacted] bring you to the same conclusion. I pray I may not often trespass that you will immediately & indulgent, joinedly for me. As the

Having just returned from Richmond
I will according to promise give you the news
which is there. I was on the left of our line
from the Appomattox to the James River
I was on picket on the 19th & 20th
the 20th between 12 & 1 o'clock the magazine blew
up. The explosion at Broadway House was
said to be equal to 2 tons of powder. On Both sides, 4 miles Back, was
felt in Richmond 2 32 lb Parrotts they are only
partially iron clad, as is Dearing.

At Petersburg the rebs are intrenching
upon two lines. Most of their troops of reinforcement
are at McPherson is marching 2 miles
daily for the purpose of getting them familiar
with Some success all the officers that are
caught for exchange. The men are reported
cross the river, blacks mostly, for the
purpose of skirmishing but outside. The report
down here consists of rebel troops crossing & battery
of horse artillery in front of the Marine Brigade

has "Cotton on the brain" my lady. I can beg to keep it for me but the rest of the contents taking this from (not more than five hundred) back of riding with that brave he has, pursuing etc. and take all the cattle I can. Then we will open the religious room I have got this pony. I am in his confidence when I say the word, he will come. For our country sake beg I get over him at our near "three Chuck" Jefferson county within a twelve days and we can beg the people the has a fine bathing of "Hide outfitting" mutiny from 3 inch rifle guns. Why in a skirt guards one thousand men at Hunnicutt Creek can stand; one column come the Pottsboro road the other the Riding road. Then on the Pottsboro road can take him a fourth mile that the other will expect him completely. I could come the very best fun of counting a rebel. You can trust the brave of this as you at any time in our camp. He is the bravest of the bravest I have ever known in all my life more than in daring expedition. Sir

Having been relieved from duty as a commissary by the late act of congress I joined your brigade. Since I have been south, I have received a letter from the commissary Genl. in reference to the settlement of my accounts, which makes it necessary that I should have access to my retained papers which is in Richmond and King & Queen county. It is a matter in which I feel greatly interested and which I desire to have settled for fear of some accident that might involve my securitys. I therefore earnestly hope that under the circumstances you will grant me a detail of thirty days from the 10th of January that I may arrange the same.

Respectfully submitted

Thos Adams.

To Dr Jno Boring
Surgeon of

Camp Holmes Ark Sept 30th

I certify that I have carefully examined R. C. Rowell Surgeon of Ochiltree's Regiment of Texas Infantry and find him incompetent to discharge the duties of incident to his office or service of a soldier, in consequence of Dyspepsia said disease is of three years standing and, in My opinion arises from chronic inflamation of the stomach, as evinced by tenderness on pressure and a heavy dragging pain after eating, since he has been in camps he has fallen off constantly and his Digestion has been steadily growing worse, it is so bad at this time, that the least quantity of food is productive of the worst kinds of symptoms; as heavy dragging pains and fulness of the stomach; singing of the ears and vertigo; The two last symptoms have been constantly present for two months and are severe at times, that he complains as though he had taken excessive Doses of Quinine and also of a numbness of the Scalp, During these bad spells his pulse ranges from thirty eight to 40 beats to the minute. I am satisfied from the knowledge, I have of his Condition that he cannot live long if confined to Camp fare.

PEMBER

Head Quarters Port Royal
Jamaica January 19th 1763

I am respectfully requested that the appointment of Chief Surgeons be left to the recommendation of the Medical Director in accordance with paragraph 3, Medical Regulations, declaring, as I do that it is of very great importance to the interests of the service and proper government of the Medical Department that it should be so. In addition to paragraph applies to the appointment of Chief Surgeons of Divisions, for whom such appointments are made for districts, as is customary in this Department, and as I believe to be necessary, I think I equally important that the rule should be observed through the Chief Surgeon the Medical officers of the District are conducted. It will at once be seen how important it is that he should be under the orders of the Medical Director and not subject to removal by the Military Commander. The routine of business here is for the Surgeons to report to the Surgeon of the Hospital, and he reports to the Chief Surgeon of the District, who transmits the reports to me. Appointments are made by Major General Gardner, without giving, as far as I can learn, any reasons for so doing. Having in view the interests of the Department only, I most respectfully but strongly suggest that the written order of Major General Gardner be cancelled and that a Chief Surgeon for the District be appointed by the Lt. General commanding on recommendation of the Medical Director and further that this rule be adhered to invariably within the

Gillman Hospital
Clinton La. May 12th 1863

Sir

I have the honor to inform you that there are three soldiers inmates of this hospital who should, in my opinion, be transfered to an arsenal where they could be useful. One of them (Pri. A. J. Williams Co. K. 2nd Ky Regt.) has had his leg amputated at the thigh; another (W. P. Saltz Pri. in Co. B. 1st Tenn. Art.) has had his leg amputated just below the knee; and the third (Dan. Slattery of Confederate States Artly.) has had his leg below the knee so shattered that he can be of no use in the service in any other capacity than some one in an arsenal or armory. They are all able-bodied men and anxious to make themselves useful. They are now ready to be transfered.

I am Sir.

Very Respectfully

to the Service of the Confederate States. On the 16th Novem-

Sir

In answer to
the communication of the Gen'l Comdg
in reference to the statement of "Mr
A. Stout and two other gentlemen" I
beg leave to state That I certainly
did not leave my Office on the
evening mentioned until after 6 o'clock
although not able to stand on my
feet in consequence of a severe hurt
by my horse about 4 o'clock of that
day and that my clerks assure
me that they remained in the Office
until 7 o'clock 10 minutes previously not
having left the Office for dinner and
then under the assurance from me
that I had provided for transportation
for all wounded Soldiers, with the
R R agent should any arrive
here during the night.
I was not in my Office

until after 8 o'clock on the morning of the 9th in consequence of having unfinished business with the Lieut Gen'l Johnstons staff. The inclemency of the weather, - being compelled to live in a tent in the Country - delayed my clerks in getting to the office at an earlier hours.

I have the honor to ~~ask~~ present the claims of Lieut Col T. B. Roy of my staff for promotion. This officer joined my staff immediately after the battle of Pocotaligo, and has been continuously on duty with me since that time. He has on all occasions in every situation, whether in camp, in garrison, or on the battle-field performed his duties gallantly zealously, intelligently, and to my entire satisfaction. As Commander of a separate Department I presume it is not asking too much to recommend that he be promoted to the rank of Colonel.

Dear Mrs. Conyers:

This is in reply to your letter of 16 June 1953, herewith returned.

The records show that one Elias K. Royal, private, Captain Jackson's Company, 1st Regiment (Fagan's) Arkansas Infantry, which subsequently became Company I, 1st Regiment (Colquitt's) Arkansas Infantry, Confederate States Army, enlisted 19 May 1861 at Lynchburg, Virginia. His age at enlistment is shown as 24 years. His name appears on a Regimental Return of the organization named above, for the month of November 1861, which shows absent enlisted men accounted for: "Sick at Dumfries." No later record of him found as a member of that organization.

The records also show that one Elias K. Royal was appointed Drill Master with the rank of 2d Lieutenant, Confederate States Army, 19 August 1863 from the State of North Carolina, to take rank from 14 August 1863. He accepted his appointment 26 August 1863. No later record of him has been found.

This collection of records is by no means complete, and failure to find the entire record of Confederate military service does not indicate necessarily that an individual did not serve at some period not covered by the records.

Sincerely yours,

Sir

I respectfully resign the office of Chaplain of 55th Regt. N. C. T.
My only reason for taking this step is physical inability to discharge the duties of the office - my throat and lungs being so seriously injured that I find it impossible even under the most favorable circumstances to take with proper decision & efficiency.

Yours most respectfully.

Sir.

I understand that Lieuts Wheeler and Wharton have each recommended Capt. Martin H. Singleton (now acting Adjt. Genl to Genl Wharton) for promotion to the rank of Major. - Allow me to say in this behalf that no more deserving man can be promoted. He entered service as a Private in Terry's Regt of Rangers - Became Adjutant of the Regt. & served with distinction - For good conduct Genl Wharton after ordered at Galveston has his Act. Genl - and for the same reason recommends his promotion in every quarter. I trust that it will not be overlooked.

General -

Upon my appointment as Brig-Gen in last November Lieut. M. H. Meyers Adjt of Texas Rangers was with the consent of General Bragg assigned to duty with me in the Adjutant Department. He has from the fall of 1861 when he was appointed Adjt of the Texas Rangers to the present time, by his gallantry and meritorious conduct on the field as well as by the faithful discharge of his duties in the office vindicated his claim to promotion. And I now respectfully ask that he be promoted to the rank of Major and assigned to duty with me in the Adjutant Department.
